The Amato family moved to England from Sicily in 1960. From there the Amato brothers established themselves in Carlisle by introducing the Italian way of Tailoring. Filippo Amato, the son of Nicky Amato, discovered he had a special passion.....cooking. Having gained over 20 years experience in various countries across Europe, Filippo has a wealth of knowledge when it comes to cuisine. With his Sicilian heritage, Sicilian cuisine is his obvious area of expertise therefore it only seems right that Filippo gives you a little taste of Sicily
